new times

for San Miguel de Salinas

Dear neighbours,

I am the new leader for the local Socialist party in San Miguel de Salinas. We need changes in our local government, and we are currently preparing a project to launch our local economy, giving the town and surrounding areas the infrastructure and services necessary for a better standard of living. While looking after the environment and listening to all citizens of San Miguel.

Election day is on the 27 th of May, so please use your right to vote and make a difference for our community.

These are some of the proposals for improving the urbanizations:

- Translators in all public offices.
- Improve security for all residents and have a satellite police station.
- Medical clinic in urbanization area.
- Improve postal service and have post boxes on urbanizations.
- Urgently solve the water problem.
- Improve internal roads.
- Improve street lights in dark spots
- Language classes for a better integration.
- Community centre for youth and elderly in the area.
